### **Notice to Rockland Taxpayers regarding the Real Estate and Personal Property Taxes due on May 1, 2020**

On Tuesday, April 21<sup>st</sup>, the Rockland Board of Selectmen voted to empower the Town Collector to waive penalties and interest for late payments for the May 1<sup>st</sup> bill specifically to those who can provide documentation of financial hardship due to the coronavirus pandemic.

A hardship letter should be sent to the Town Collector at [Taxcollector@Rockland-MA.Gov](mailto:Taxcollector@Rockland-MA.Gov) and include:

- Reasons for your hardship stated clearly and concisely as it applies to the COVID19 pandemic and include any supporting documentation (i.e. unemployment letter, lay off, reduction of hours and wages).
- Be specific about the remedy you are seeking as far as a payment plan. Please do not commit to send more money than you can reasonably afford.
- Include your e-mail address in order that we may acknowledge receipt of your request and communicate with you.

This measure is being taken to ensure that both the residents and the Town are able to financially navigate through this most difficult time.

I thank you for your patience and cooperation.
